- Planning for EAL pupils incorporate curriculum and EAL specific objectives.
- The progress of EAL pupils is regularly monitored and evaluated
- When planning the curriculum, staff take into account the linguistic cultural and religious background of families.

Teaching Strategies

- Classroom activities have clear learning objectives and use appropriate materials/support to enable pupils to participate in lessons.
- Enhanced opportunities are provided for speaking and listening, including both process and presentational talk and the use of role play and drama. Pupils have access to effective staff and peer models of spoken language.
- The Orchards EAL Handbook for staff has practical advice for staff.
- Additional visual support is provided through interactive whiteboards, visual learning supports, practical demonstration and the use of gesture.

- Verbal support is provided in lessons through repetition, modelling and peer support.
- Use is made of collaborative activities that involve purposeful talk which encourages and supports active participation.
- Discussion is provided before, during and after reading and writing activities.
- Scaffolding is provided for language and learning e.g. writing frames and word lists.
- Pupils are encouraged to join the wide range of after-school clubs.
- Our school provides dual language dictionaries and work lists. Interactive whiteboards, pictures, artefacts and other concrete materials also give crucial support.

Assessment

The EAL Co-ordinator and Learning Support carry out ongoing recording of attainment and progress in line with agreed school procedures.

- Data analysis is carried out to monitor progress and appropriate support allocated.
- Statutory assessment arrangements of the National Curriculum allow us to make 'access arrangements' for children who are learning English as an additional language.

SEND and Gifted and Talented pupils

- Most EAL pupils needing additional support do not have SEND needs.

- Should SEND concerns be identified, EAL pupils have equal access to the school's SEND provision.
- Where EAL pupils are identified as Gifted and Talented learners, they have equal access to school provision.

Parent/Community Involvement

- Staff will use plain English and if necessary translators and interpreters, where appropriate and available, to ensure good spoken and written communication.
- Our school will celebrate and acknowledge the achievement of EAL pupils in the wider community.
- Our ethos is to recognise and encourage the use of first language.
- Our aim is to help parents understand how they can support their child's learning at home, especially by continuing the development of their first language.
